

REMARKS

Claims 1-4 and 7-9 are pending in this application. By this Amendment, the first line of claim 1 is amended for clarity, and the title and abstract are amended. No new matter is added.

Applicants appreciate the allowance of claims 1-4 and 7-9.

The Quayle Action requests a change to the title and the abstract. By this Amendment, the title and abstract are amended. Accordingly, the formal matters set forth in the Quayle Action are satisfied. The Amendment to the first line of claim 1 is also appropriate because the Quayle Action requests that such errors are to be corrected in the response to the Quayle Action.

For all of the reasons set forth above, Applicants respectfully submit that this application remains in condition for allowance. Favorable consideration and prompt entry of the above amendments is earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
